

PRODUCT

Technical Data Sheet

Neptun Safety Footwear embarked on its journey in 1977, gaining recognition for its exceptional quality and pioneering innovation. The brand established a new standard in safety with its patented metatarsal protection featured in PVC boots. Our products are meticulously designed to provide optimal protection. This technical data sheet serves as a comprehensive guide to help you select the perfect boot tailored to your needs.

CLIPPER

Clipper Kids Gumboots ensure your child can enjoy the great outdoors without the worry of dirty, wet, or cold feet. Since 1977, these classic boots from Neptun have been a beloved staple in South Africa, remembered fondly for their distinctive red or blue colors with bright yellow soles. They let kids embrace rain, mud, and adventure, turning rainy days into opportunities for fun and play..

NEPTUN
SAFETY FOOTWEAR

BENEFITS

Clipper Kids Gumboots are made from durable, REACH-compliant PVC, making them easy to wash and quick to dry. Available in a variety of fun colors, including blue, red, camouflage, and black, they offer excellent grip and sole support, ensuring safety and confidence while playing. These calf-length gumboots, weighing just 650g, are perfect for any adventure, providing both protection from the elements and endless fun.
